WELLNESS STUDIO

The Wellness Studio is a serene space designed to promote well-being and rejuvenation. Bathed in natural light and offering captivating views, the studio provides a tranquil environment for various wellness activities such as yoga, meditation, and mindfulness sessions. With its harmonious blend of sunlight and scenic beauty.

FITNESS STUDIO 1

Studio 1 and 2 are versatile spaces designed to accommodate a variety of fitness, wellness and recreational activities. These studios are thoughtfully designed to provide a comfortable

FITNESS STUDIO 2

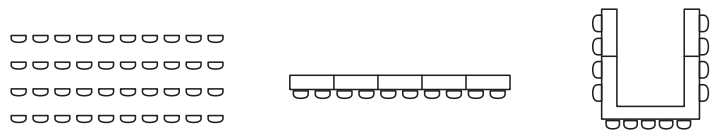

and motivating environment for individuals and groups to engage in different forms of physical and mental exercises.
